What's happening to the people today
What's happening to the people today
What's happening to the people today
They lay wasted
They lay wasted
They lay wasted
They lay wasted

What's happening to the children today
What's happening to the children today
What's happening to the children today
They lay wasted
They lay wasted
They lay wasted
They lay wasted

They lay wasted
They lay wasted
They lay wasted
They lay wasted

What's happening to the world today
What's happening to the world today
What's happening to the world today
It lay wasted
It lay wasted
It lay wasted
It lay wasted
