All the music of life seems to be, like a bell that is
ringing for me

What a day this has been, what a rare mood I'm in
Why, its almost like being in love
There's a smile on my face for the whole human race
Why, it's almost like being in love

All the music of life seems to be, like a bell that is
ringing for me
And from the way that I feel, when that bell starts to
peal
I would swear I was falling, I'd swear I was falling
It's almost like being in love, it's almost like being in
love

All the music of life seems to be, like a bell that is
ringing for me
And from the way that I feel, when that bell starts to
peal
I would swear I was falling, I could swear I was falling
It's almost like being in love
