Brazil, where hearts were entertaining June,
We stood beneath an amber moon
And softly murmured someday soon
We kissed and clung together,

Then, tomorrow was another day
The morning found me miles away
With still a million things to say;

Now, when twilight dims the sky above
Recalling thrills of our love,
There's one thing I'm certain of
Return I will to old Brazil

Brazil - the Brazil that I knew
Where I wandered with you is in my imagination
Where the songs of passion and the smile has flesh in
it
Where the kiss has art in it
For you put your heart in it
And so, I feel the glow
Brazil..
