INTRO

All day long before my eyes come little visions of you
They shouldn't, they mustn't, but they do, they do
And I can't get out of this mood, can't get over this
feeling
Can't get out of this mood, last night your lips were too
appealing
The thrill should have been all gone by today in the
usual way
But it's only your arms I'm out of

Can't get out of this dream, what a fool I was to dream
of you
'twasn't part of my scheme to sigh and tell you that I
love you
But I'm sayin' it, I'm playin' it dumb
Can't get out of this mood, heartbreak, here I come
The thrill should have been all gone by today in the
usual way
But it's only your arms I'm out of

Can't get out of this dream, what a fool I was to dream
of you
'twasn't part of my scheme to sigh and tell you that I
love you
But I'm sayin' it, yes, I'm playin' it dumb
Can't get out of this mood, heartbreak, here I come

This mood, can't get out of this mood, can't get out of
this mood
