Johnny:  
Sometimes, lonely nights  
turn into sunny days.  
I never thought I'd feel this way.  
I never knew that you and I  
were meant to be in love.

Dionne:  
Oh, darling, you've always been around  
to see me through.  
How was I to know  
you'd make my dreams come true?

Johnny:  
Time and time again before,

Both:  
always on our own,  
but now we're friends  
in love.  
Hoping that we'll always still be friends in love.

Dionne:  
It's dawn and we're together.  
Darling, now we got forever and the day.

Johnny:  
Don't you go away.

Dionne:  
Remember everytime you cried,  
you came to me.

Johnny:  
Much to my surprise,  
I found someone to see.  
Even nights of loneliness,

Both:  
you were always there for me.  
We're friends in love.

Hoping that we'll always still be friends in love.

Dionne:

It's dawn and we're together.

Darling, now we got forever and the day.

Don't you go away.

Johnny:

You turned around, looked my way.

I can't say

that it hasn't crossed my mind.

I've loved you all along.

Dionne:

Ah now we're leavin' yesterday behind,

we'll never be alone.

Both:

We're friends in love.

Hoping that we'll always still be friends in love.

Dionne:

It's dawn and we're together.

Darling, now we got forever and the day.

Johnny:

Don't you go away.
