Everyday there's somethin' new
Honey, to keep me lovin' you
And with every passin' minute
So much joy wrapped up in it

Heaven must have sent you from above
Heaven must have sent your precious love

And I, I've got a song to sing
Tellin' the world about the joy you bring
And you gave me a reason for livin'
And you taught me, you taught me the meanin' of
givin'

Heaven must have sent you from above
Heaven must have sent your precious love

To find a love like yours is rare these days
'Cause you've shown me what happiness is in so many
ways
I look in the mirror and I'm glad to see
There's laughter in the eyes where tears used to be

What you've given me I could never return
'Cause there's so much, girl, I've yet to learn
And I wanna show, I wanna show my appreciation
'Cause when I found you, I found new inspiration

Heaven must have sent you from above
Heaven must have sent your precious love

Heaven must have sent you from above
Heaven must have sent your precious love

Heaven must have sent you from above
Heaven must have sent your precious love
Heaven must have sent you from above
