I had the craziest dream last night, yes I did  
I never dreamt it could be  
Yet, there you were, in love with me

I found your lips close to mine, so I kissed you  
You didn't mind it at all  
When I'm awake such a break never happens  
How long can a guy go on dreaming?

If there's a chance that you care  
Then, please, say you do  
Say it and make my craziest dream come true

In a dream the strangest and the oddest things appear  
And what insane and silly things we do  
Here is what I see before me, vividly and clear  
As I recall it, you were in it, too

I found your lips close to mine, so I kissed you  
And you didn't mind it at all  
When I'm awake such a break never happens  
How long can a guy go on dreaming?

If there's a chance that you care  
Then, please, say you do, baby  
Say it and make my craziest dream come true

Say it and make my craziest dream come true
