if we only have love
then tomorrow will dawn
and the days of our years
will arise on that morn

if we only have love
to embrace without fears
we will kiss with our eyes
we will sleep without tears

If we only have love
We can reach those in pain
We can heal all our wounds
We can use our own names

If we only have love
We can melt all the guns
And then give the new world
To our daughters and sons

If we only have love
With our arms opened wide
Then the young and the old
Will stand at our side

If we only have love
We will never bown down
We'll be tall as the pines
Neither heros, nor clowns

If we only have love
To be shared by all men
Then we'll break from the grave
To be born once again

If we only have love
If we only have love
If we only have love!
