INTRO:

I have wished before
I shall wish no more
Love, look away
Love, look away from me
Fly when you pass my door
Fly and get lost at sea

Call it a day
Love, let us say we're through
No good are you for me
No good am I for you

BRIDGE

Wanting you so I try too much
After you go I cry too much

Love, look away
Lonely though I may be
Leave me and set me free
Look away, look away, look away from me
Look away, look away, look away from me
