A time for us, some day there'll be
When chains are torn by courage born of a love that's
free
A time when dreams so long denied can flourish
As we unveil the love we now must hide

A time for us, at last to see
A life worthwhile for you and me

And with our love, through tears and thorns
We will endure as we pass surely through every storm
A time for us, some day there'll be a new world
A world of shining hope for you and me

For you and me

And with our love, through tears and thorns
We will endure as we pass surely through every storm
A time for us, some day there'll be a new world
A world of shining hope for you and me

A world of shining hope for you and me
