Saying goodbye is never an easy thing  
But you never said, you'd stay forever  
So if you must go, darling, I'll set you free  
That I know in time, we'll be together

I won't try to stop you now from leaving  
'Cuz in my heart I know

Love will lead you back  
Someday I just know that  
Love will lead you back to my arms  
Where you belong

I'm sure, sure as stars are shining  
One day, you will find me again  
It won't be long  
One of these days, love will lead you back

One of these nights  
I'll hear your voice again  
You're gonna say  
How much you miss me

You'll walk out this door  
But someday, you'll walk back in  
Darling I know  
I know this will be

Sometimes it takes  
Sometime out on your own now to find your way back  
home

Love will lead you back  
Someday I just know that  
Love will lead you back to my arms  
Where you belong

I'm sure, sure as stars are shining  
One day, you will find me again  
It won't be long  
One of these days, love will lead you back

I won't try to stop you now from leavin'  
'Cuz in my heart I know

Love will lead you back  
Someday I just know that  
Love will lead you back to my arms  
Where you belong

I'm sure, sure as stars are shining  
One day, you will find me again  
It won't be long  
One of these days, love will lead you back

It won't be long, I know  
Someday I just know that  
Love will lead you back to my arms  
Where you belong

I'm sure, sure as stars are shining  
One day, you will find me again  
It won't be long  
One of these days, love will lead you back  
One of these days, love will lead you back
