"Loving You"

Visit "[Loving You](#)" on MotoLyrics.com

Loving you is not a choice it's who I am
Loving you is not a choice
And not much reason to rejoice

But it gives me purpose
Gives me voice to say to the world
This is why I live, you are why I live

Loving you
Is why I do the things I do
Loving you
Is not in my control

But loving you I have a goal
For what's left of my life
I will live and I will die for you

Loving you
Is why I do the things I do
Loving you
Is not in my control

But loving you I have a goal
For what's left of my life
I will live and I will die for you
