(Midnight cowboy, midnight cowboy)  
(He's a lonesome midnight cowboy)

Once his hopes were high as the sky  
Once a dream was easy to buy  
Soon his eager fingers are burned  
Soon life's lonely lessons are learned

Hearts are made for caring  
Life is made for sharing

Love is all that's left in the end

(Midnight cowboy, midnight cowboy)  
(He's a lonesome midnight cowboy)

Hearts are made for caring  
Life is made for sharing

Love is all that's left in the end  
Love can turn the tide for a friend  
Love can hold a dream together  
FADE  
Love is all
