"No Love"

Written by Billy Myles

Recorded by Johnny Mathis

Peaked on Billboard at #21 in 1958

No love but your love can set my world on fire  
No love but your love can fill me with desire

No love but your love can shape my destiny  
No love but your love can make a slave of me

No arms but your arms can banish all my fears  
No charms but your charms could last a thousand  
years

No love but your love will ever thrill me so  
No love but your love will my heart ever know

No love but your love will my heart ever know

No love.
