One day in your life
You'll remember a place
Someone touching your face
You'll come back and you'll look around, you'll . . .
One day in your life
You'll remember the love you found here
You'll remember me somehow
Though you don't need me now
I will stay in your heart
And when things fall apart
You'll remember one day . . .
One day in your life
When you find that you're always waiting

For a love we used to share
Just call my name, and I'll be there
You'll remember me somehow
Though you don't need me now
I will stay in your heart
And when things fall apart
You'll remember one day . . .
One day in your life
When you find that you're always lonely
For a love we used to share
Just call my name, and I'll be there.
