Five hundred twenty-five thousand six hundred  
minutes  
Five hundred twenty-five thousand moments so dear  
Five hundred twenty-five thousand six hundred  
minutes  
How do you measure, measure a year?

In daylights, in sunsets, in midnights, in cups of coffee  
In inches, in miles, in laughter and strife  
In five hundred twenty-five thousand six hundred  
minutes  
How do you measure a year in the life?

How about love?  
Talk about love?  
What about love?  
Measure in love  
(Seasons of love)  
(Seasons of love)

Five hundred twenty-five thousand six hundred  
minutes  
Five hundred twenty-five thousand journeys to plan  
Five hundred twenty-five thousand six hundred  
minutes  
How do you measure the life of a woman or a man?

In truths that she learned or times that he cried  
In bridges he burned or the way that she died  
(It's time now to sing out though the story never ends)  
Let's celebrate, remember a year in the life of friends

Remember the love  
Remember the love  
Remember the love  
Measure in love  
Measure your life in love

(Seasons of love)  
Five hundred twenty-five thousand six hundred  
minutes

(Seasons of love)

Five hundred twenty-five thousand journeys to plan

(Seasons of love)

Five hundred twenty-five thousand six hundred  
minutes

(Seasons of love)

Well, how do you measure the life of a woman or a  
man, Lord?

Five hundred twenty-five thousand six hundred  
minutes

Five hundred twenty-five thousand moments so dear

Five hundred twenty-five thousand six hundred  
minutes

How do you measure, measure a year?

Five hundred twenty-five thousand six hundred  
minutes

Five hundred twenty-five thousand moments so dear

Five hundred twenty-five thousand six hundred  
minutes

How do you measure, measure a year?
