When you just give love and never get love  
You'd better let love depart  
I know it's so and yet I know  
I can't get you out of my heart

You made me leave my happy home  
You took my love and now you've gone  
Since I fell for you

Oh, love brings such misery and pain  
I know I'll never be the same  
Since I fell for you

Well, it's too bad and it's too sad  
But I'm in love with you  
First you love me then you snub me  
But what can I do? I'm still in love with you

I guess I'll never see the light  
I get the blues most every night  
Since I fell for you, since I fell for you
