There was a man
A lonely man
Who lost his love
Through his indifference

A heart that cared
That went unshared
Until it died
Within his silence

Now solitaire's the only game in town
And every road that takes me
Takes me down
And by myself it's easy to pretend
I'll never love again

And keeping to myself
I'll play the game
Without her love
It always ends the same
While life goes on around me everywhere
I'm playing solitaire

Another day
A lonely day
So much to take
That goes unspoken

And through the night
A sleepless night
The eyes are closed
Hearts are broken

Now solitaire's the only game in town
And every road that takes me
Takes me down
And by myself it's easy to pretend
You're coming back again

(Instrumental)

Now solitaire's the only game in town
And every road that takes me
Takes me down
And by myself it's easy to pretend
You're coming back again

Now solitaire's the only game in town
And every road that takes me
Takes me down
And by myself it's easy to pretend
