You came, I was alone
I should have known you were temptation

You smiled, luring me on
My heart was gone, you were temptation

It would be thrilling
If you were willing

If it can never be
Pity me
For you were born to be kissed
I can't resist
You were temptation and I am yours
Here is my heart, take it and say
We'll never part

I'm just a slave
Only a slave to you,
Temptation

Temptation
