"The More I See You"

Each time I look at you is like the first time
Each time you're near me the thrill is new
And there is nothing that I wouldn't do for
The rare delight of the sight of you-ou

The more I see you, the more I want you
Somehow this feeling just grows and grows
With every sigh I become more ma-ad about you
More lost without you and so it goes

Can you i-imagine how much I love you
The more I see you as years go by
I know the only-y one for me can only be you
My arms won't free you, my-y heart won't try

I know the only-y one for me can only be you
My arms won't free you, my-y-y heart - won't try...
