You asked how much I need you must I explain. I need you oh my darling like roses need rain. You asked how long I love you, I tell you true. Until the twelfth of never I still be loving you. Hold me close. Never let me go. Hold me close. Melt my heart like April snow. I love you to the blue bells forget to bloom. I love you till the clover has lost it's perfume. I'll love you till the poets run out of rhyme. Until the twelfth of never, and that's a long long time. Until the twelfth of never. And that's a long long time.
