Where is the love

Where is the love
You said you'd give to me
Soon as you were free
Will it ever be
Where is the love?

You told me that you didn't love him,
And you were gonna say goodbye
But if you really didn't mean it,
Why did you have to lie?

Where is the love,
You said was mine all mine, till the end of time
Was it just a lie
Where is the love

If you had had a sudden change of heart
I wish that you would tell me so
Don't leave me hangin on the promises
You've got to let me know

(Instrumental)

Oh how I wish I never met you
I guess it must have been my fate
To fall in love with someone else's love
All I can do is wait
That's all I can do

Where is the love
Where is the love
Where is the love
Where is the love
Where is the love
Where is the love
Where is the love
