Hello, I don't even know your name  
But I'm hopin' all the same  
This is more than a simple hello

Hello, do I smile and look away?  
No, I think I'll smile and stay  
To see where this might go.

'Cause the last time I felt like this  
I was falling in love,  
Falling and feeling,  
I'd never fall in love again  
Yes, the last time I felt like this  
Was long before I knew  
What I'm feeling now with you.

Hello, I can't wait till we're alone  
Somewhere quiet on our own  
So that we can fall the rest of the way

I know that before the night is through  
I'll be talking love to you  
Meaning every word I say

'Cause the last time I felt like this  
I was falling in love  
Falling and feeling,  
I'd never fall in love again  
Yes, the last time I felt like this,  
Was long before I knew  
What I'm feeling now with you

Oh, the last time I felt like this  
I was falling in love  
Falling and feeling  
I'd never fall in love again  
Yes, the last time I felt like this  
Was long before I knew  
What I'm feeling now with you.
