O  
Ha  
Dance The Kung Fu (I'll tell you what to do)  
You just dance The Kung Fu  
Ha  
Ha  
Yeah  
Dance The Kung Fu (that's what to do)  
You just dance The Kung Fu.

You swing to your left then you swing to your right  
This new dance people is pure dynamite.  
Ev'ry step is poetry in motion  
Let the rythm take your devotion  
So when you feel like you wanna fight  
People listen to me  
Oh  
Don't get uptight.  
This is all  
This is all you do.

Oh  
Oh  
Dance The Kung Fu  
...

Hand to the hand then you make a little stand

You jump and dip your back up stiff

Moving with the grace of a butterfly  
Take yourself away on a natural high.  
You feel like you wanna fight  
Listen to me people don't get uptight.  
This is all  
This is all you do.

Oh  
Oh  
Dance The Kung Fu (I'll tell you what to do) . . .

Ugh ! Ah ! Come on move around

Never see what you're putting down  
Step in line come feel the groove  
Doin' fine you got nothing to lose.

Dance The Kung Fu (this is all you do) . . .

Peace and love sweet as a flower  
You can do this new dance hours and hours and hours.
