Gather 'round me, everybody  
Gather 'round me while I'm preachin'  
Feel a sermon comin' on me  
The topic will be sin and that's what I'm ag'in'  
If you wanna hear my story  
The settle back and just sit tight  
While I start reviewin'  
The attitude of doin' right

You've got to accentuate the positive  
Eliminate the negative  
And latch on to the affirmative  
Don't mess with Mister In-Between

You've got to spread joy up to the maximum  
Bring gloom down to the minimum  
Have faith or pandemonium's  
Liable to walk upon the scene

To illustrate my last remark  
Jonah in the whale, Noah in the ark  
What did they do just when everything looked so dark?

(Man, they said "We'd better accentuate the positive")  
("Eliminate the negative")  
("And latch on to the affirmative")  
Don't mess with Mister In-Between (No!)  
Don't mess with Mister In-Between

(Ya got to spread joy up to the maximum)

(Bring gloom down to the minimum)

(Have faith or pandemonium's)

(Liable to walk upon the scene)

You got to ac (yes, yes) -cent-tchu-ate the positive

Eliminate (yes, yes) the negative

And latch (yes, yes) on to the affirmative

Don't mess with Mister In-Between

No, don't mess with Mister In-Between
