How many hearts have you broken
With those great big beautiful eyes,
Those great big beautiful eyes
That tell such beautiful lies?

How many times have you kissed somebody
Like you kissed me then?
I don't believe you mean it, but baby, kiss me again.

How many hearts have you stranded
On that dreamy road to romance?
Baby I'll take a chance, I need some loving!
I just can't resist you even though I'm wise.
So how many hearts you broken
With those great big beautiful eyes?

How many hearts have you broken
With those great big beautiful eyes,
Great big beautiful eyes
That tell such beautiful lies?

How often have you kissed somebody
Like you kissed me then
Don't believe you mean it, but baby, kiss me again.

How many hearts have you stranded
On that dreamy road to romance?
Baby I'll take a chance
I sure could use a new romance
I just can't resist you
Couldn't from the day that I kissed you
How many hearts have you broken
With those great big
Oh they're as large as a marble
beautiful
Sharp like a needle
How many hearts have you broken
With those great big beautiful eyes?
