Do you hear that whistle down the line?
I figure that it's engine number forty-nine
She's the only one that'll sound that way
On the Atchison, Topeka and the Santa Fe

See the old smoke risin' 'round the bend
I reckon that she knows she's gonna meet a friend
Folks around these parts get the time of day
From the Atchison, Topeka and the Santa Fe

Here she comes, woo oo woo oo woo oo woo oo woo
woo
Hey Jim, you better get out the rig
Woo oo woo oo woo oo woo oo woo woo
She's got a list of passengers that's pretty big

And they'll all want lifts to Brown's Hotel
'Cause lots of them been travelin' for quite a spell
All the way from Philadelphia
On the Atchison, Topeka and the Santa Fe

On the Atchison, Topeka and the Santa Fe
Doo doo da, the good old A.T. and the Santa Fe
