The summer wind came blowing in from across the sea  
It lingered there to touch your hair and walk with me  
All summer long, we sang a song  
And then we strolled that golden sand  
Two sweethearts and the summer wind

Like painted kites, those days and nights they went  
flying by  
The world was new, beneath a blue umbrella sky  
Then softer than a piper man, one day it called to you  
I lost you, I lost you to the summer wind

The autumn wind and the winter winds, they have come  
and gone  
And still the days, those lonely days they go on and on  
And guess who sighs his lullabies, through nights that  
never end  
My fick-le friend, the summer wind

The summer wind  
One summer wind  
Summer wind
