take her if is has to be this way

i know she doesn't really wanna stay

but be careful how you hold her

please don't ever scold her

shes my cream puff

we've been together a long, long time i know her ways  
and shes knows mine

so be careful how you squeeze her please don't ever  
tease her

shes my cream puff

i pray to god above her she finds another lover who  
loves her as much as i

i only wanna see her happy even though she made me  
cryyyy

if things go wrong send her back to me \*(yeah)

I'd be happy as i could be

cuz i feel so lost without her  
and all the things about her

shes my cream puff

i pray to god above her she finds another lover who  
loves her as much as i do

i only wanna see her happy even though she made me  
cry

if things go wrong send her back to me \*(yeah)

I'd be happy as i could be

cuz i feel so lost without her  
and all the things about her

shes my cream puff (yeah)  
shes my cream puff

yeah yeah shes my cream puff yeah yeah
