Stir it up little darling, stir it up
Come on baby come on and stir it up little darling, stir it
up
It's been a long long time since I've got you on my mind
And now you are here
I say it's so clear
To see what we can do, honey, just me and you

Come on and stir it up, little darling, stir it up
Come on baby come on and stir it up little darling, stir it
up
I'll push the wood, I'll blaze your fire
Then I'll satisfy your hearts desire
Said I'll stir it up, yeah, evry minute, yeah
All you got to do is keep it in, baby
And stir it up, little darling, stir it up
Come on and stir it up, oh, little darling, stir it up, yeah

Oh, will you quench me while I'm thirsty?
Come and cool me down when I'm hot?
Your recipe, darling, is so tasty
And you sure can stir your pot
So stir it up, little darling, stir it up
Come on and stir it up, oh, little darling, stir it up
Come on and stir it up, oh, little darling, stir it up
