Chorus:

The voice of love will call to you
The voice of love will call to you
You can be sure that she's sincere
if you hear the voice of love

When someone looks at you
and vows that she'll be true
If you're uncertain,
Take her in your arms and
Listen for the voice of love

Chorus:

Don't give up your heart
until you'll hear the voice of love.

Chorus:
