There are more questions than answers
Pictures in my mind I will not show
There are more questions than answers
And the more I find out, the less I know
Yeh, the more I find out, the less I know

I've asked the question time and time again
Why is there so little love among men?
But what is life, how do we live?
What should we take and how much should we give?

Oh, there are more questions than answers
Pictures in my mind I will not show
There are more questions than answers
And the more I find out, the less I know
Yeh, the more I find out, the less I know

Oh, yeah
Oh, what is life, how do we live?
Oh, what should we take and how much should we
give?

There are more questions than answers
They're just pictures in my mind I will not show
There are more questions than answers
And the more I find out, the less I know
Yeh, the more I find out, the less I know
