Look at her

She's a bad mamma jamma
Just as fine as she can be
She's a bad mamma jamma
Just as fine as she can be

Her body measurements are perfect
In every dimension
She's got a figure that's sho' 'nuff gettin' attention
She's poetry in motion, a beautiful sight to see
I get so excited viewin' her anatomy

She's built, oh, she's got it
Got all the curves that men like
She's built, woah, she's got it
Got all the curves that men like
Look at her

She's a bad mamma jamma
Just as fine as she can be
She's a bad mamma jamma
Just as fine as she can be

Looks like she's bold into the bone, she's bad
Essence of beauty, ooh, such lovely hair
She's foxy, classy, woah, sexy, nasty
She's heavenly, a beautiful sight to see

She's built, woah, she's got it
Got all the curves that men likes
She's built, oh, she's got it
Got all the curves that men like
Look at her

She's a bad mamma jamma
Just as fine as she can be
She's a bad mamma jamma
Just as fine as she can be

She's a bad mamma jamma
She's a bad mamma jamma

She's a bad mamma jamma
Come on and sing a, sing along with me

She's a bad mamma jamma, yeah
She's a bad mamma jamma
She's a bad mamma jamma
The jelly belly, jelly belly kinds

She's a bad mamma jamma
Just as fine as she can be
She's a bad mamma jamma
Just as fine as she can be

She's got a built
