Well you-ou know I can be found (hey hey)  
Sittin' home all alone (hey hey)  
If you can't come around (hey hey)  
At least please telephone (hey hey)  
Don't be cruel to a heart that's true-ue (to a heart that's true)  
Baby, if I made-a you mad (hey hey)  
For something I might-a said (hey hey)  
Let's forget the past (hey hey)  
The future looks bright ahead (hey hey)  
Don't be cruel to a heart that's true-ue (to a heart that's true)  
I don't want no other love  
Baby it's a-just-a you I'm a-thinking of (I'm thinking of)  
Mmmm  
Don't stop a-thinking of me (hey hey)  
Don't make me feel-a this way-hay-hayh-ay (hey hey)  
Come on over here and love me (hey hey)  
You know what I have to say (hey hey)  
Don't be cruel to a heart that's true-ue (to a heart that's true)  
Why should we be apart?  
I really love you baby, cross my heart (I cross my heart)  
Well let's a-walk up to the preacher (hey hey)  
And let us say I do (hey hey)  
Then you'll know you have me (hey hey) baby  
And I'll know that I have you (hey hey)  
Don't be cruel to a heart that's true-ue (to a heart that's true)  
Don't be cruel (don't be cruel)  
To a heart that's true (to a heart that's true)  
Don't be cruel (don't be cruel)  
To a heart that's true (to a heart that's true)  
Don't be cruel (fade)
