My heart belongs to only you
I've never loved as I lo-ove you
You've set a fla-ame within me burning
A flame to stay-ay within me yearning

It's just for you I want to live
It's just to you my heart I-I give
I'll always be your slave my darling
Through the coming year-ears

There were sometimes when I was doubtful
Of this true love affair-air-air
But now my mind is no more doubtful
'Cause I've found my heaven
With the help of a prayer-er-er

Oh, you are the song within my soul
A melody that can't grow old
I've known for long
My heart belongs to only you-ou
Oh, I've known for lo-ong
My heart belongs to only you...
