Well she's so tou-ou-Ou-ou-Ou-ou-ough  
That's why I love 'er, love 'er  
Well I saw a pretty little girly walkin' down the street  
Ah-ah, the kind of girly that I'd like to meet  
Huh, Ah-ah she held my ha-and a-and she was so fine  
Now tell me darlin' will you-ou-ou-ou be mine  
I know I love her dearly  
I really love that chick  
So I really love 'er  
I know I'm gonna tell her that I really really love 'er  
And I'll never never never let her go  
Never let her go  
'Cause she's so tou-ou-Ou-ou-Ou-ou-ough  
That's why I love 'er, love 'er  
Well that girl and I were married sought of  
Happy as can be  
Oh yeah I liked he-er a-and she loved me  
Oh yeah, we're gonna be together ju-ust wait and see  
Well call it love, well ye-e-e-sir-eeee  
I know I love her dearly  
I really love that chick  
So I really love 'er  
I know I'm gonna tell her that I really really love 'er  
And I'll never never never let her go  
Never let her go  
'Cause she's so tou-ou-Ou-ou-Ou-ou-ough  
That's why I love 'er, love 'er  
So tough, ah-hah, she's tough, ah-hah  
Man she's a tough chick (she what)  
Man that chick just tuuuurrrns me on (what's tuuurrrnin'

You know what I like  
So tough
