The sun's gonna shine tomor-orrow, the sun's gonna
come out bright
There ain't gonna be no sorrow when I see the morning
light
'Cause we're gonna be toge-e-ether, that's the way it's
gonna be-ee-ee
The sun's gonna shine tomor-orrow, just you wait and
see
For we (for we), are in lo-o-ove (in love)
In love it's gonna be-ee-ee
Shining (shining) abo-ove (above)
For you, and for me
Let me tell ya now
The sun's gonna shine tomor-orrow, their ain't gonna
be no rain
There ain't gonna be no trouble, there ain't gonna be
no pain
'Cause we're gonna be toge-e-ether day after day-ay-
ay
The sun's gonna shine tomor-orrow, and it ain't gonna
go away
For we (for we), are in lo-o-ove (in love)
In love it's gonna be-ee-ee
Shining (shining) abo-ove (above)
For you, and for me
All together now
The sun's gonna shine tomor-orrow, their ain't gonna
be no rain
There ain't gonna be no trouble, there ain't gonna be
no pain
'Cause we're gonna be toge-e-ether, day after day-ay-
ay
The sun's gonna shine tomor-orrow, and it ain't gonna
go away
Come on now
The sun's gonna shine tomor-orrow, and it ain't gonna
go away
(Hey! hey!) Alright now
The sun's gonna shine tomor-orrow, and it ain't gonna
go away
(Way! hey!) One more time now
The sun's gonna shine tomor-orrow, and it ain't gonna

go away
(Hey! Hey!)
