"When I Fall In Love"

When I fall in love
It will be forever
Or Ill never fall in lo-ove
In a restless world like this is
Love has ended before its begun
And too many moonlight kisses
Seem to cool in the warmth of the sun

When I give my heart
It will be completely
Or Ill never give my hear-eart
And the moment I can fee-eel
That you feel that way too
Is when I fall in love with you-ou

And the moment I can fee-eel
That you feel that way too
Is when I fall in love with you-ou
