Way down in a country town one day  
A little ole' country band began to play.  
They had two guitars and a beat-up saxophone;  
When the leader said go them cats began to blow.

Ooh wee oh oh,  
Ooh la la, let's rock and roll.

Now all the poeple gathered 'round  
Just to dig that rockin' rollin' sound.  
Suddenly the drummer rang a bell  
And all them country cats began to yell.

Chorus

Ole' MacDonald did a crazy bop  
Said it's time to milk my cow, I got to stop,  
But just before I cool it and cut out  
Here's something all you cats can think about.

Chorus

Snaggle-toothed Malinda was a drag,  
She latched onto a dude who showed up stag.  
He tried to run and then he tripped and fell;  
She kissed him and we all could hear him yell.

Chorus

Well, a hound dog ran a polecat into town,  
Brought him to the dance and laid him down.  
Someone hollered skunk and you can bet  
All them country cats is runnin' yet.
