You Know God Loves Us
Inspite Of Our Faults
And I Just Like To Thank You
For Lovin Me Inspiting Mines

[Verse 1:]

I Never Had A Women Babe
To Treat Me Like You Do
And that's The Main Reason I Wanna Do Right By You
Now there's Some Things In My Life That I Know Aint
Right
I don't Wanna Lead You On
So Every Night When You Hold Me Tight
I Feel So Wrong

[Chorus:]

You Gave Me Your Love Girl (But I don't Deserve It)
Your Always There For Me (But I don't Deserve It)
You Gave Me Heaven Lady Little Lady (But I don't
Deserve It)
You Given Me Everything, Everything (But I don't
Deserve It)

[Verse 2:]

This Moring When I Woke Up You Served Me Breakfast
In My Bed.
But The Thought Of Another Women Keep Running In
My Head (In My Head)
You Wash My Clothes And Cooked My Food
And I Asked For Nothing In Return
I Should Treat You And Caress You Too
But I don't Have The Nerve
