What's up ladies? this is j.p. and I just
Wanna know... have you ever been sung to while
Being made love to?

Baby won't you have a seat
Give me a second while I start this beat
I've been goin thru much doin what I do
But now that I'm home I'm gunna do it for you
See the bed is my stage girl
But the spotlight shines on you
We made love a 1000 times but tonite this is
What I'm gonna do

[Chorus:]

I'm gonna make your body sweat
With a performance that you won't
Forget
I'm gonna give you a private show
And show you how low these vocals go
Do you mind if I sing to you while I
Make love to you baby
Do you mind if I sing to you while I
Make love to you baby
I been around the world and I've seen pretty
Face after pretty face
Sung my heart out on stages
But it seems like it was such a waste
Now don't get me wrong I love my fans
And I thank god for the voice that brought me
Fame
But instead of the girls in the front row
Now I can you screamin my name

[Chorus]

Would you mind if I
Take my time
Touchin you kissin you, you're so fine
Start from your head, down to your toes
1000 kisses till you can't take no more
[x2]

Come here girl give daddy a hug tonite your gonna
Be loved by a thug
I'm on top of you, you on top of me, I'm freakin
You, you are freakin me
[x3]
