Some say you're too easy but others come and let me  
down,  
you always try to please me that's why I want you  
around.

She's my automatic healer and I just need to feel her  
then I'm not coming back.  
While I'm soaked in perspiration as part of my  
education, then I'm not coming back.  
No I'm not coming back.

Last night I was lazy, last night I was so run down ,  
you laid your hands upon me and it turned my whole  
world around.

She's my automatic healer and I just need to feel her  
then I'm not coming back.  
While I'm soaked in perspiration as part of my  
education, then I'm not coming back.

No I'm not coming back.

You always leave the light on but I don't think they  
understand ,  
it's not about the money, it's the disappointment of  
being a man.

She's my automatic healer and I just need to feel her  
then I'm not coming back.  
While I'm soaked in perspiration as part of my  
education, then I'm not coming back.  
No I'm not coming back.

Don't care what you say,  
don't care what you do,  
don't care what you say,  
it's not up to you.

She's automatic, expensive habit
