[duet with Jody Miller]

Let's all go down to the river there's a man who's
walking on the water

Come along with me for I want to see this man walking
on the water

Well he can raise the dead from the grave change the
water and turn it into wine

He can make the lame walk and he can make the donk
talk

And open up the eyes of the blind

Oh let's all go down to the river...

[guitar]

Jesus is the man at the river and he's washin' people's
sins away

He can save your soul if you give him control be ready
for that Judgement Day

Let's all go down to the river...

Let's all go down to the river...

Let's all go down to the river...
