Well I say friend don't take her she's all I've got
Please don't take her love away from me
I'm beggin' you friend don't take her she's all I've got
She's everything in life I'll ever need

She is life when I wanna live she's everything to me in
life that life can give
She's my water when I need to drink
She's the first thought in my mind each time I try to
think
Let me tell you now friend...

She's my fingers when I want to feel
She's the only thing in life to me that's really real
She is love she's all the love I know
She could kiss the ground in the wintertime and make
the flower grow
Let me tell you now friend...
