Something in the way she moves me attracts me like no
other lover
Something in the way she woos me
I don't want to leave her now you know I believe and
how
Somewhere in her smile she knows that I don't need no
other lover
Something in her style that shows me
I don't want to leave her now you know I believe and
how
You're asking me will my love grow I don't know I don't
know
You stick around now it may show I don't know I don't
know
Something in the way she knows and all I have to do is
think of her
Something in the things he shows me
I don't want to leave her now you know I believe and
how
