Well I said, Friend
Don't take her, she's all I've got
Please don't take her love away from me
I'm beggin' to ya, Friend
Don't take her, she's all I've got
She's everything in life I'll ever need

She is life when I want to live
She's everything to me in life that life can give
She's my water when I need a drink
She's the first thought in my mind
Each time I try to think

Let me tell ya now, Friend
Don't take her, she's all I've got
Please don't take her love away from me
I'm beggin' to ya, Friend
Don't take her, she's all I've got
She's everything in life I'll ever need

She's my fingers when I wanta to feel
She's the only thing in life to me that's really real
She is love, she's all the love I know
She could kiss the ground in the wintertime
And make the flowers grow

Here me talkin' now, Friend
Don't take her, she's all I've got
Please don't take her love away from me
I'm beggin' to ya, Friend
Don't take her, she's all I've got
She's everything in life I'll ever need

Hear me talkin' to ya, Friend
Don't take her she's all I've got
Friend, don't take her she's all I've got
I said, Friend, don't take her she's all I've got
Hear me talkin' to ya, Friend
Don't take her she's all I've got
