VERSE:

Is that all I meant to you,
Just some one to turn to.
Just a go between
For someone new.
Is that all I meant to you?

CHORUS:

Just a stepping stone,
To be all alone
When you've grown tired,
Then you'll desire, somebody new.
Just an old standby,
Just someone to cry.
When you've had your fling,
I'll be a passing thing,
That's all I meant to you.

(Steel Guitar Turn Around)

CHORUS:

Just a stepping stone,
To be all alone
When you've grown tired,
Then you'll desire, somebody new.
Just an old standby,
Just someone to cry.
When you've had your fling,
I'll be a passing thing,
That's all I meant to you.
