(Billy Sherrill - Glenn Sutton)

Now love is pourin' through the windows, comin'
through the door
And I can feel it creepin' through the cracks in the floor
Bouncin' off the walls and the ceilin' up above
Since I found you I'm livin' in a house of love.

All my life my heart's been walked on
Women said they loved me my how they talked on
Tellin' me lies and fillin' my eyes
With tears that I couldn't control
I couldn't get a hold of myself long enough to realize
They were only tryin' to pull the wool over my eyes
I found you then the skies turned blue
And I'm livin' in a house of love.

Now love is pourin' through the windows, comin'
through the door
And I can feel it creepin' through the cracks in the floor
Bouncin' off the walls and the ceilin' up above
Since I found you I'm livin' in a house of love.

Well once I lived in a hole like a rabbit
Couldn't find love the blues were a habit
A lonely man and I couldn't understand
Why everything I tried went wrong
Till you came along bless your heart
And showed me the right way
You dried my eyes and turned my night to day
And I'm so proud I wanna holler out loud
Tell the world about my house of love.

Now love is pourin' through the windows, comin'
through the door
And I can feel it creepin' through the cracks in the floor
Bouncin' off the walls and the ceilin' up above
Since I found you I'm livin' in a house of love.

Now love is pourin' through the windows, comin'
through the door

And I can feel it creepin' through the cracks in the floor
Bouncin' off the walls and the ceilin' up above
Since I found you I'm livin' in a house of love.

Since I found you I'm livin' in a house of love...
