(Johnny Paycheck)

Loving you, beats all, I've ever seen.

I've been to Niagra Falls, and it's beauty took my breath  
I've watched the Matador fight the bull, and stand so  
close to death

I've climbed the Rocky Mountains and dined with Kings  
and Queens

But loving you, beats all, I've ever seen.

Chorus:

Loving you is something special to me  
and with out you I can't help wondering  
What my life would be.

I've watched L.A. light up at night, and walked the great  
white way

I've stood on sandy beaches, and watched the dawning  
of a day

I've done almost everything that are only in another  
mens dreams

But loving you, beats all, I've ever seen

Yeah loving you, beats all, I've ever seen...
