(Johnny Paycheck)

Loving you, beats all, I've ever seen.

I've been to Niagra Falls, and it's beauty took my breath
I've watched the Matador fight the bull, and stand so
close to death
I've climbed the Rocky Mountains and dined with Kings
and Queens
But loving you, beats all, I've ever seen.

Chorus:

Loving you is something special to me
and with out you I can't help wondering
What my life would be.

I've watched L.A. light up at night, and walked the great
white way
I've stood on sandy beaches, and watched the dawning
of a day
I've done almost everything that are only in another
mens dreams
But loving you, beats all, I've ever seen

Yeah loving you, beats all, I've ever seen...
